- o Other _____

1. **Duties and Responsibilities.** A Broker who provides Brokerage Services to one or both parties shall describe and disclose in writing the Broker's duties and responsibilities prior to the party or parties signing a contract to sell, purchase, option, or exchange real estate.

A Broker shall have the following duties and responsibilities which are mandatory and may not be abrogated or waived by a Broker, whether working with one party, or working with both parties:

A. Treat all parties to the transaction with honesty and exercise reasonable skill and care;
B. Unless specifically waived in writing by a party to the transaction:
   1. Receive all written offer and counteroffers;

C. Inform, in writing, the party for whom the Broker is providing Brokerage Services when an offer is made that the party will be expected to pay certain closing costs, Brokerage Service costs and the approximate amount of the costs;
D. Keep the party for whom the Broker is providing Brokerage Services informed regarding the transaction;
E. Timely account for all money and property received by the Broker;
F. Keep confidential information received from a party or prospective party confidential. The confidential information shall not be disclosed by a Broker without the consent of the party disclosing the information unless consent to the disclosure is granted in writing by the party or prospective party disclosing the information, the disclosure is required by law, or the information is made public or becomes public as a result of action from a source other than the Broker. The following information shall be considered confidential and shall be the only information considered confidential in a transaction:
   1. That a party or prospective party is willing to pay more or accept less than what is being offered,
   2. That a party or prospective party is willing to agree to financing terms that are different from those offered,

I. When working with one party or both parties to a transaction, the duties and responsibilities set forth in this section shall remain in place for both parties.

2. Brokerage Services provided to both parties to the transaction. The Oklahoma broker relationships law (Title 59, Oklahoma Statutes, Section 858-351 – 858-363) allows a real estate Firm to provide brokerage services to both parties to the transaction. This could occur when a Firm has contracted with a Seller to sell their property and a prospective Buyer contacts that same Firm to see the property. If the prospective Buyer wants to make an offer on the property, the Firm must now provide a written notice to both the Buyer and Seller that the Firm is now providing brokerage services to both parties to the transaction. The law states that there are mandatory duties and responsibilities that must be performed by the Broker for each party.

3. Broker providing fewer services. If a Broker intends to provide fewer brokerage Services than those required to complete a transaction, the Broker shall provide written disclosure to the party for whom the Broker is providing services. The disclosure shall include a description of those steps in the transaction that the Broker will not provide and state that the Broker assisting the other party in the transaction is not required to provide assistance with these steps in any manner.

4. Confirmation of disclosure of duties and responsibilities. The duties and responsibilities disclosed by the Broker shall be confirmed in writing by each party in a separate provision, incorporated in or attached to the contract to purchase, option or exchange real estate.

I understand and acknowledge that I have received this notice on this 29th day of April 2026.

Seller is not obligated to furnish location of nor present owners of any pipeline right-of-way easements described in the Commitment.

- **Order of Auction:** Tracts will be offered individually & in combination to suit Buyer(s) using a Multi-Par Bidding Format as described below.

Explanation of the Multi-Par Bidding System

1) This is the fairest way to sell property because everyone will have the opportunity to bid on the tracts or combination of tracts they want & may increase their bids all the way to the end of the auction.
    - The system will show which bidders are in a winning position throughout the auction.
    - Bidders will have the opportunity to bid on individual tracts or combinations of tracts at any time before the auction ends.
    - Bidders who want to buy a collection of tracts that ***must remain together,*** such as contiguous tracts, should not bid on those tracts separately; rather, you should create & bid on them as a combination. Bidding on them separately may cause you to be left with outlying tracts while losing other tracts to other bidders.
    - All tracts & combinations of tracts may be bid on by any bidder in the room at any time prior to the end of the auction.
    - Nobody will know who has won & who has lost until the auction is over because additional bids will be accepted on all tracts & combinations of tracts until the auction ends. Therefore, just because your tract or combination of tracts, are not currently in a winning position, please do not leave the auction until it is over. An incoming bid late in the auction may bring you back into a winning position.

2) During the first round of bidding, tracts will be offered by the tract (NOT by the acre). Following that, bidding will be by the tract or combination of tracts.

3) Because it cannot be determined who the final high bidders will be until such time as the bidding is closed, anyone who is or was a high bidder on any tract at any time during the auction is required to remain at the auction until the bidding is closed.

The Auction Company expressly reserves the right to re-open bidding on each tract until such time as all bidding has ceased. Sellers have the right to accept or reject any or all bids received at the auction.

- **Internet Buyer(s) Only:** In order to save you the time and expense of traveling to the auction site, this auction is being broadcast live on-line at WigginsAuctioneers.com. There is no additional fee for this service. Neither the Auction Company nor Seller is responsible in the event of delayed signal or loss of signal by either side.

- **Disclaimers:** All information is taken from sources believed to be reliable; however, no guarantee is made by the auction company or its employer. Any and all drawings, sketches and dimensions are approximate and may not be to scale. Buyer(s) should satisfy themselves as to acreage, size, condition, etc. prior to placing any bids at the auction. Announcements made day of auction supersede all advertising.

SCHEDULE B, PART I—Requirements

All of the following Requirements must be met:

1. The Proposed Insured must notify the Company in writing of the name of any party not referred to in this Commitment who will obtain an interest in the Land or who will make a loan on the Land. The Company may then make additional Requirements or Exceptions.

5. Return properly executed Purchaser/Borrower and Seller/Owner Statement to the Company, including satisfactory evidence that all bills for labor and materials furnished for the improvements the Land have been or will be paid.

6. Deed from Testament Real Estate, LLC vesting fee simple title in TBD.

   NOTE: The State of Oklahoma required the payment of a documentary stamp tax as a condition precedent to the recordation of any deed as provided by 68 Okla. Stat. 3201, subject to the exemptions provided by 68 Okla. Stat. 3202.

7. Mortgage from TBD, showing marital status and joined by spouse, if any, securing your loan.

   NOTE: The State of Oklahoma requires the payment of a mortgage tax as a condition precedent to the recordation of any mortgage.

8. Furnish an accurate Survey of the premises which would disclose any encroachments, overlaps, boundary line disputes, or other matters, or exception will remain on policy.

9. Obtain a court search as to any entity taking title subsequent to date of this commitment including TBD in Kingfisher County, and satisfy any judgments or liens which might affect the subject property and have releases thereof filed of record.

10. Have abstract brought to date if not closed within 180 days of commitment date, which is the date last certified to.

15. Informational Purposes Only: We would direct your attention to the fact that portions of the lands covered by this opinion lie adjacent to the Cimarron River. At sheet 222 of Abstract 8,086 appears a Journal Entry of Judgment in Case Number 8114 in the District Court of Kingfisher County, Oklahoma, no recording data, wherein C.W. Clift, et al., were Plaintiffs and Charles W. Foster, et al., were defendants. As a part of that Judgment, the Court determines that the Cimarron River had moved from the original government survey and that approximately 4 acres of accretions had been added to the lands described therein. At that time, the total acreage shown by the 1955 survey for the examined property (including all of Lot 1 of Section 10) was 169.35 acres. From looking at a satellite photo of this land it appears the river may have moved significantly to the north since the 1955 survey. **Please review exceptions #6-8.**
